PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 07/27/2021 and 09/02/2021.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

3	<u>Special Condition #6:</u> You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.
---	--

Supporting Evidence: It is alleged that Shellbie Klins violated the terms of her supervised release by failing to appear for a random urinalysis, on or about September 13, 2021.

On December 1, 2018, supervision commenced in this matter. On December 4, 2018, a supervision intake was completed. Her conditions of supervised release were reviewed with her. She signed a copy of her judgment acknowledging an understanding of the conditions imposed by the Court, to include special condition number 6, noted above.

Ms. Klins is enrolled in random drug testing through Pioneer Human Services (PHS). Ms. Klins is expected to call the drug testing line daily to determine if her color for testing is called. If her color is called, she is required to appear at PHS that same day for drug testing.

On September 13, 2021, she failed to appear for a random drug test at PHS.
